

**T.D. WRIGHT, INC.**

# **Modular™ Magnetic Plate Cylinder for Rutherford Decorator**

**Model MMC8-CDx**

The MODULAR™ magnetic cylinder weighs only 7 Kg.

TDW now offers the latest productivity refinement, Modular™ magnetic, for the OEM Rutherford decorator. Since 1984, when TDW set the standard for plate cylinders, innovation and reliability have been our commitment to the industry. This latest evolution of the standard parallel shaft OEM style cylinder achieves the best specification now available for the Rutherford Decorator.

**Choose T.D.Wright Precision.**

**Lightest** Rutherford cylinder available at 7Kg.  
**MODULAR™ Magnetic** construction eliminates plate lift  
**Precision register pins** in true position within .001mm  
**Steel bores** for durability  
**Proven OEM** supplier quality
